# Accessibility

We want everyone to be able to use this website comfortably, including people using screen readers, magnifiers or a phone.

## How we have built it

- Large, clear text with strong contrast.
- Pages that work with keyboard navigation and screen readers, with a "skip to content" link.
- Text you can enlarge up to 200% without losing content.
- Every page works on phones and tablets, with a call button always within reach.
- No moving content, and no cookies or pop-ups to dismiss.

## Telling us about a problem

If anything on this website is hard to use, or you would like information in another format, such as large print, please call 01865 715780 and we will help.
