Our live-in care in Thornbury

Live-in care means one-to-one support in your own home: personal care, medication support, meals, help around the house, getting out and about, and someone close by at night. How we arrange live-in care in Thornbury

Day and Nightcare provides fully managed live-in care in Thornbury and the villages around it, from £1,550 a week. One main carer lives in the home; a relief carer covers their holidays and time off, and a manager is on call. Care starts with a free assessment, a written quote and a written care plan.

Care can be paid for privately, by South Gloucestershire Council (including direct payments) or by NHS Continuing Healthcare. We have provided Discharge to Assess (D2A) care since 2014. If someone is in hospital, tell us the expected discharge date (see care after hospital). Our care team is on 01865 715780.

Arranging care and funding in Thornbury

South Gloucestershire Council runs adult social care here, even with a Bristol postal address. To ask for a care needs assessment, call **01454 868007** (Monday to Thursday 8.30am to 5pm, Friday 8.30am to 4.30pm), email CSODesk@southglos.gov.uk or apply online through a council account. The assessment is free, and the council aims to respond within 5 working days where possible.

In a crisis at home, its Rapid Response team gives emergency personal care, 8am to 10.15pm every day (01454 615047; charged after the first 72 hours). Out of hours, call the Emergency Duty Team on 01454 615165.

A financial assessment decides what you pay: with more than £23,250 in savings you would usually pay in full, though the home is not counted for care at home. If you are over the limit and ask the council to arrange care, it charges a one-off £390 arrangement fee and a £101 yearly administration fee (from 6 April 2026; estimates on 01454 864269). Going directly to a provider avoids these fees. See council funding for care.

For a carer's assessment, call Carers Support Bristol and South Gloucestershire's CarersLine on 0117 965 2200. Appointments come about 10 to 12 weeks after referral, usually at home, and the council often offers a one-off £200 payment.

The council also collects council tax (01454 868003). Ask about the disregards for someone severely mentally impaired and for a live-in carer who is not the person's partner, spouse or child under 18, the disabled band reduction and terminal illness relief. An empty home can be

exempt if the person has moved into hospital or a care home to receive care. The forms must be printed; a council One Stop Shop or a library can help. See council tax discounts for care.

For a couple it is from £1,800 a week, where one carer can safely meet both partners' needs. You receive a written quote after a free assessment.
