OUR CARE, WHERE YOU LIVE

Our live-in care in Yate

Live-in care means one-to-one support in your own home: personal care, medication support, meals, help around the house, getting out and about, and someone close by at night. Whether it suits the person, and whether one carer can support a couple, is worked out at the free assessment. Read more in live-in care explained and how it works day to day.

How we arrange live-in care in Yate

Day and Nightcare provides fully managed live-in care in Yate, Iron Acton, Frampton Cotterell, Wickwar and the villages around them, from £1,550 a week. One main carer lives in the home; a relief carer covers their holidays and time off, and a manager is on call. Care starts with a free assessment, a written quote and a written care plan.

Care can be paid for privately, by South Gloucestershire Council (including direct payments) or by NHS Continuing Healthcare. We have provided Discharge to Assess (D2A) care since 2014. If someone is in hospital, tell us the expected discharge date (see care after hospital). Our care team is on 01865 715780.

Arranging care and funding in Yate

South Gloucestershire Council runs adult social care here, even with a Bristol postal address. To ask for a care needs assessment, call **01454 868007** (Monday to Thursday 8.30am to 5pm, Friday 8.30am to 4.30pm), email CSODesk@southglos.gov.uk or apply online through a council account. The assessment is free, and the council aims to respond within 5 working days where possible.

In a crisis at home, its Rapid Response team gives emergency personal care, 8am to 10.15pm every day (01454 615047; charged after the first 72 hours). Out of hours, call the Emergency Duty Team on 01454 615165.

A financial assessment decides what you pay: with more than £23,250 in savings you would usually pay in full, though the home is not counted for care at home. If you are over the limit and ask the council to arrange care, it charges a one-off £390 arrangement fee and a £101 yearly administration fee (from 6 April 2026; estimates on 01454 864269). Going directly to a provider avoids these fees. See council funding for care.

For a carer's assessment, call Carers Support Bristol and South Gloucestershire's CarersLine on 0117 965 2200. Appointments come about 10 to 12 weeks after referral, usually at home, and the council often offers a one-off £200 payment.

The council also collects council tax (01454 868003). Ask about the disregards for someone severely mentally impaired and for a live-in carer who is not the person's partner, spouse or child under 18, the disabled band reduction and terminal illness relief. An empty home can be

exempt if the person has moved into hospital or a care home to receive care. The forms must be printed; the Yate One Stop Shop on Kennedy Way, reached from West Walk (weekdays 9am to 4.30pm), or a library can help. See council tax discounts for care.

Yes. Sirona's Yate Minor Injury Unit at the Yate West Gate Centre, 21 West Walk, is open 8am to 8pm every day, including bank holidays (0300 125 6800). It does not treat illnesses, and it may close early when very busy. For serious emergencies, call 999.

Who do I call in Yate to ask for a care assessment?

Call 01454 868007 (Monday to Thursday 8.30am to 5pm, Friday 8.30am to 4.30pm), email CSODesk@southglos.gov.uk or apply online through a council account. The assessment is free. What if someone from Yate is not ready to go home from hospital?

The hospital can refer them through the Transfer of Care Hub to a step-down bed at the Skylark Rehabilitation Unit, run by Sirona care & health on the top floor of The Meadows care home on Cranleigh Court Road (0300 124 5490). It is for adults over 18 who need more rehabilitation before going home safely. Visiting is 11am to 7pm.

How much does live-in care cost in Yate?

Live-in care with Day and Nightcare costs from £1,550 a week in Yate, the same as everywhere in England, for one person with a carer who rests at night. That includes our care team's management (the assessment, care plan, reviews, supervision and the on-call manager) and the carer's food; break cover and the carer's travel are extra. For a couple it is from £1,800 a week, where one carer can safely meet both partners' needs. You receive a written quote after a free assessment.

Can the council help pay for live-in care in Yate?

Yes, if the person's care needs meet the national eligibility criteria and their savings are below £23,250 (2026/27). Adult social care in Yate is arranged by South Gloucestershire Council. Ask for a care needs assessment; if you are eligible, council funding can usually be taken as a direct payment and used for live-in care from us.

Can live-in care start when someone leaves Southmead Hospital?

It can. Tell us the expected discharge date as early as you can, and we will work with you and the ward's discharge team on when live-in care can start. We can often start within 24 to 48 hours of the assessment, depending on carer availability, and we confirm the start date once a carer is arranged. We have provided Discharge to Assess (D2A) care since 2014.
