LIVE-IN CARE · HARINGEY, LONDON

Live-in care in Haringey

How to arrange fully managed live-in care in Haringey with our care team, starting with a free assessment, and who else to contact: Haringey Council, the urgent treatment centre and A&Es at the Whittington and North Middlesex, discharge and Continuing Healthcare, and local help with carers, memory, dementia day support and hospice care.

From £1,550 a week

Free initial assessment · A written quote before care begins

IN BRIEF

Day and Nightcare provides fully managed live-in care in Haringey, from £1,550 a week. A dedicated live-in carer lives in your home, supporting you through the day and close by at night, and our CQC-registered care team plans, supervises and reviews the care. The initial assessment is free.

OUR CARE, WHERE YOU LIVE

Our live-in care in Haringey

Live-in care means one-to-one support in your own home: personal care, medication support, meals, help around the house, getting out and about, and someone close by at night. Whether it suits the person, and whether one carer can support a couple, is worked out at the free assessment. Read more in live-in care explained and how it works day to day.

How we arrange live-in care in Haringey

Day and Nightcare provides fully managed live-in care across Haringey, from £1,550 a week. One main carer lives in the home; a relief carer covers their holidays and time off, and a manager is on call. Care starts with a free assessment, a written quote and a written care plan.

Care can be paid for privately, by Haringey Council (including direct payments) or by NHS Continuing Healthcare. We have provided Discharge to Assess (D2A) care since 2014. If someone is in hospital, tell us the expected discharge date (see care after hospital). Our care team is on 01865 715780.

Arranging care and funding in Haringey

Haringey Council runs adult social care and collects council tax. Ask for a Care Act assessment with the council's online self-referral form, for yourself or someone else. If you cannot use the form, call **020 8489 1400** and choose option 1, then your area. The needs assessment is free, and anyone can ask for one. Out of hours, adult social care emergencies go to 020 8489 0000 (5pm to 9am on Monday, Tuesday, Thursday and Friday, 5pm to 10am on Wednesday, and all day at weekends and on bank holidays).

- The Care Act assessment looks at needs; a separate financial assessment works out what you pay.
- With more than £23,250 in savings and assets you will usually pay for your own care, but you can still ask the council for an assessment and for help arranging care. You can also arrange live-in care directly with a provider.
- Reablement is free, usually at home and usually for up to six weeks.

Council workers carry out carer's assessments for adult carers of someone who lives in Haringey; request one with the council's online form.

On council tax, Haringey lists a disabled band reduction, a live-in carers discount and help for people who are severely mentally impaired. See council tax discounts.

Urgent care and leaving hospital in Haringey

- **Urgent treatment centre:** at the Whittington Hospital, Magdala Avenue, N19, open 8am to 10pm every day. It is led by an emergency nurse practitioner and a GP, for urgent problems that are not life-threatening, such as minor cuts, sprains, minor burns and simple fractures. NHS 111 may give an estimated time to be seen, but that is not an appointment. It is not an A&E.
- **A&E:** the Whittington's emergency department (entrance on Highgate Hill) is open 24 hours a day, 365 days a year. North Middlesex University Hospital, Sterling Way, Edmonton, has an A&E open 24 hours for all ages.

The hospital team plans discharge and arranges any referrals, such as short-term care, reablement, therapy or equipment; the details should be in the discharge plan.

If you are over 50, ask the ward staff to refer you to the Haringey Home from Hospital service, run by the Bridge Renewal Trust (020 8442 7651). It can help you get home on the day, top up prepayment meters, check heating and hot water, do essential food shopping and make telephone check-ins.

For NHS Continuing Healthcare, NHS West and North London ICB's Haringey team is on 0203 316 8740 (weekdays 9am to 5pm). A nurse, doctor or social worker involved in the person's care can complete the first checklist; ask the social worker or the clinical team.

Local help in Haringey

Carers' services, dementia support, transport, befriending and other local help, with phone numbers.

- **Carers.** Carers First runs the Carers Hub for unpaid carers aged 18 or over supporting someone in Haringey: 0300 303 1555 (Monday to Thursday 9am to 5pm, Friday 9am to 4.30pm). Mobilise offers online coaching and "virtual cuppas" for carers, free for Haringey residents.
- **Memory worries.** Haringey Memory Service, St Ann's Hospital (020 8702 6300), after a GP or hospital referral. See dementia care at home.
- **Dementia day support.** The Haynes Dementia Hub, 151 Park Road, N8: a day service and £10 pay-as-you-go sessions (020 8489 5925).

- **End of life.** North London Hospice's community team cares at home for adults with a Haringey GP, visiting seven days a week, 9am to 5pm. Referral is usually through the GP or another professional; the person, or family or friends with their consent, can also refer (enquiries 0800 368 7848, weekdays 8am to 5pm). Out of hours, the North Central London Palliative Advice Team (8pm to 8am, 020 8152 3252) advises people known to community palliative care. See end-of-life care.
- **Getting about.** TfL Dial-a-Ride: door-to-door minibuses for members with a long-term disability who cannot use public transport; people aged 85 or over or on higher-rate Attendance Allowance qualify automatically (0343 222 7777).
- **Having your say.** Healthwatch Haringey: 020 8888 0579 (weekdays 9am to 5pm).

What may change soon

North London Hospice's inpatient unit in Finchley closed on 1 July 2026 for rebuilding. Inpatient care moved to Jade Ward at Edgware Community Hospital; the hospice expects the rebuilt unit to open in autumn 2027.

Council and care assessments

Adult social care in Haringey is arranged by London Borough of Haringey. Anyone who appears to need care can ask for a free care needs assessment, whatever their savings. If the council funds care, you can usually take it as a direct payment and use it for live-in care from us.

- **London Borough of Haringey:** ask for a care needs assessment (telephone 020 8489 1400); carer's assessment.

NHS Continuing Healthcare

When someone's main need is a health need, the NHS pays for all of their care through NHS Continuing Healthcare, and it is not means-tested. For Haringey it is arranged by NHS West and North London ICB (Continuing Healthcare information). See our NHS Continuing Healthcare guide.

Hospitals near Haringey

If someone is in hospital, tell us the expected discharge date as early as you can, and we will work with you and the discharge team on when live-in care can start.

- North Middlesex University Hospital: Sterling Way, Edmonton N18 1QX, just over the border in Enfield; A&E open 24 hours, all ages (NHS website; managed by Royal Free London NHS Foundation Trust; opening times last confirmed 9 July 2026). The NHS website lists no urgent treatment centre here.
- Whittington Hospital: Magdala Avenue, N19 5NF. Emergency Department: A&E open 24 hours, 365 days a year (entrance on Highgate Hill). Urgent Treatment Centre: 8am to 10pm every day, led by an emergency nurse practitioner and a GP, for urgent but not life-threatening problems such as minor cuts, sprains and simple fractures; NHS 111 may give an estimated arrival time, which is not an appointment; the UTC is not an A&E. Ambulances home are arranged only for medical need.
- North London Hospice: Community palliative care at home for adults with a Barnet, Enfield or Haringey GP: nurses visit seven days a week, 9am to 5pm; the Haringey Community Palliative Care Team is based at North London Hospice Enfield, 110 Barrowell Green, Winchmore Hill N21 3AY. Inpatient unit temporarily at Jade Ward, Edgware Community Hospital, since 1 July 2026, for up to a year.

YOUR QUESTIONS

Questions about live-in care in Haringey

Who do I call in Haringey to ask for a care assessment?

Start with Haringey Council's online self-referral form for a Care Act assessment, which you can fill in for yourself or for someone else aged 18 or over. If you cannot complete the form online, call 020 8489 1400, choose option 1, then the option for the area where you live. The council reviews the referral and contacts you about next steps; if the person is not eligible, it still gives information and advice about other support. For adult social care emergencies out of hours, call 020 8489 0000.

Is reablement free in Haringey?

Yes. Haringey Council says reablement is free of charge. It is short-term help, usually at home and usually for up to six weeks, to regain skills and confidence after an illness, injury, fall or hospital stay. Most people are referred by hospital staff before they leave, and the details should be in the discharge plan. If you are already at home, you can ask for a Care Act assessment yourself, or your GP or another health professional can refer you.

Where are memory problems assessed in Haringey?

At the Haringey Memory Service, run by North London NHS Foundation Trust in the Victoria Unit at St Ann's Hospital, St Ann's Road, N15 (020 8702 6300, 9am to 5pm). It sees people over 65 with memory difficulties for the first time and people of any age who already have a dementia diagnosis. A referral is needed from a GP or local hospital, so start with the GP. After diagnosis it offers Cognitive Stimulation Therapy, an Admiral Nurse for carers, a dementia navigator and Tom's Club, a free group for people with dementia and their carers (first and fourth Wednesdays at the Haynes, 151 Park Road, and second Wednesdays at Percy House, Tottenham High Road, 1.30pm to 3pm).

What does the Haynes Dementia Hub cost?

It depends on the service. The day service, for adults with moderate or severe dementia, is reached through a social worker, a GP referral or a self-referral to the council's First Response team, and its cost depends on a financial assessment. The pay-as-you-go Day Opportunities Hub, for anyone with a diagnosis who can come alone or with a family member or personal assistant, costs £10 a session, with lunch £5 (charges subject to review). Zoom sessions and the information hub are free. Call 020 8489 5925.

Is there an Age UK in Haringey?

No. Age UK London says there is currently no Age UK operating in Haringey. For advice it points to the national Age UK and to Haringey Citizens Advice. Other local help is listed above, including the Haynes Dementia Hub, the Home from Hospital service for people over 50 and the Carers First Carers Hub for family carers.

How much does live-in care cost in Haringey?

Live-in care with Day and Nightcare costs from £1,550 a week in Haringey, the same as everywhere in England, for one person with a carer who rests at night. That includes our care team's management (the assessment, care plan, reviews, supervision and the on-call manager) and the carer's food; break cover and the carer's travel are extra. For a couple it is from £1,800 a week, where one carer can safely meet both partners' needs. You receive a written quote after a free assessment.

Can the council help pay for live-in care in Haringey?

Yes, if the person's care needs meet the national eligibility criteria and their savings are below £23,250 (2026/27). Adult social care in Haringey is arranged by London Borough of Haringey. Ask for a care needs assessment; if you are eligible, council funding can usually be taken as a direct payment and used for live-in care from us.

Can live-in care start when someone leaves North Middlesex University Hospital?

It can. Tell us the expected discharge date as early as you can, and we will work with you and the ward's discharge team on when live-in care can start. We can often start within 24 to 48 hours of the assessment, depending on carer availability, and we confirm the start date once a carer is arranged. We have provided Discharge to Assess (D2A) care since 2014.
