OUR CARE, WHERE YOU LIVE

Our live-in care in Corby

Live-in care means one-to-one support in your own home: personal care, medication support, meals, help around the house, getting out and about, and someone close by at night. Whether it suits the person, and whether one carer can support a couple, is worked out at the free assessment. Read more in live-in care explained and how it works day to day.

How we arrange live-in care in Corby

Day and Nightcare provides fully managed live-in care in Corby and the villages around it, from £1,550 a week. One main carer lives in the home; a relief carer covers their holidays and time off, and a manager is on call. Care starts with a free assessment, a written quote and a written care plan.

Care can be paid for privately, by North Northamptonshire Council (including direct payments) or by NHS Continuing Healthcare. We have provided Discharge to Assess (D2A) care since 2014. If someone is in hospital, tell us the expected discharge date (see care after hospital). Our care team is on 01865 715780.

Arranging care and funding in Corby

North Northamptonshire Council runs adult social care and collects council tax in Corby. To ask for a care needs assessment, call **0300 126 3000** and select Option 1, Option 2 and Option 1, or use the online self-referral form (lines open Monday to Friday, 9am to 5pm). The same number reaches the Out-of-Hours Duty Team.

A financial assessment follows. With savings above £23,250 a person usually pays the full cost, but for care at home their own home is not counted. If the council funds care, a direct payment lets you choose your own provider. See council funding for care.

If you look after someone, ask for a carer's assessment, carried out for the council by Northamptonshire Carers (01933 677907, option 2, weekdays). The charity says carers of an adult living in Northamptonshire may be entitled to 48 hours of free emergency respite a year. On council tax, the council lists a carer disregard, the severe mental impairment disregard and exemption, and an exemption when someone moves permanently into a care home; see council tax discounts for care. For equipment at home, ask for an occupational therapy assessment on 0300 126 3000 (Option 1, Option 2, Option 2).

- **Thackley Green Specialist Care Centre**, off Lewin Road in Great Oakley, is the council's short-term specialist reablement centre, to help people live independently and avoid going back into hospital (01536 535683). Ask the ward team or adult social care whether it would suit your relative.
- **Reablement North**, the council's home team, supports people at home for up to six weeks after a referral from a healthcare professional, free at the start.

For a couple it is from £1,800 a week, where one carer can safely meet both partners' needs. You receive a written quote after a free assessment.
