Live-in care in Clevedon

Fully managed live-in care in Clevedon and the villages around it, arranged by our care team after a free assessment (01865 715780), plus how to ask North Somerset Council for an assessment, the minor injury unit at North Somerset Community Hospital and the nearest emergency departments, and local help with memory, carers, transport and hospice care.

From £1,550 a week

Free initial assessment · A written quote before care begins

IN BRIEF

Day and Nightcare provides fully managed live-in care in Clevedon, from £1,550 a week. A dedicated live-in carer lives in your home, supporting you through the day and close by at night, and our CQC-registered care team plans, supervises and reviews the care. The initial assessment is free.

OUR CARE, WHERE YOU LIVE

Our live-in care in Clevedon

Live-in care means one-to-one support in your own home: personal care, medication support, meals, help around the house, getting out and about, and someone close by at night. Whether it suits the person, and whether one carer can support a couple, is worked out at the free assessment. Read more in live-in care explained and how it works day to day.

How we arrange live-in care in Clevedon

Day and Nightcare provides fully managed live-in care in Clevedon and the villages around it, from £1,550 a week. One main carer lives in the home; a relief carer covers their holidays and time off, and a manager is on call. Care starts with a free assessment, a written quote and a written care plan.

Care can be paid for privately, by North Somerset Council (including direct payments) or by NHS Continuing Healthcare. We have provided Discharge to Assess (D2A) care since 2014. If someone is in hospital, tell us the expected discharge date (see care after hospital). Our care team is on 01865 715780.

Arranging care and funding in Clevedon

North Somerset Council runs adult social care in Clevedon and also collects council tax. To ask for a care needs assessment, contact Care Connect on **01275 888 801** (Monday to Friday, 8am to 6pm) or careconnect@n-somerset.gov.uk, or use the online self-referral form. The needs assessment is free, and anyone can ask for one. A trained member of staff will then contact you to talk about your relative's situation, strengths and the help family and friends give. Outside Care Connect's hours, the Emergency Duty Team is on 01454 615165.

If the council may help to pay, a financial assessment follows: with more than £23,250 in savings people usually pay in full, and the home is not counted for care at home. See council funding for care. If your relative will pay for their own care, North Somerset Council's free Care Navigator service gives impartial advice by phone or a home visit.

A family carer can ask for a carer's assessment through Care Connect or the online carer self-referral form.

For council tax, ask about:

- a severe cognitive disorder reduction (the council's term for severe mental impairment), with a doctor's certificate and a qualifying benefit such as Attendance Allowance
- a live-in carer, not a spouse or partner, who gives at least 35 hours of care a week is not counted, if the person cared for gets a qualifying benefit
- a band reduction for disabled people where the home has been adapted

Urgent care and leaving hospital in Clevedon

- **Minor injuries:** the walk-in Minor Injury Unit at North Somerset Community Hospital, Old Street (01275 546852), open 8am to 8pm, with X-ray on weekdays 8.30am to 5pm and at weekends and bank holidays 9am to 5pm. It is not an A&E. It may close earlier than these times when demand is very high, so call NHS 111 if unsure.
- **Emergency departments:** Weston General Hospital (01934 636363), whose emergency department is not open overnight (the trust gives 8am to 10pm; the NHS website lists 8pm closing for adults on some days), and the Bristol Royal Infirmary (adults) and Southmead Hospital, both open 24 hours.

After a hospital stay, the council's TRI team gives free short-term reablement and telecare, usually for up to six weeks: a keyworker sets goals with your relative, and support can include reablement visits, a trial of telecare such as falls detectors or memory aids, and equipment. Referrals come from council staff, Sirona's Discharge to Assess therapists or the hospitals' Transfer of Care hubs, so ask the ward. If your relative is not yet ready for home, the Elton Rehabilitation Unit at the community hospital (01275 546987) gives inpatient rehabilitation, on referral from the hospital.

For mainly health needs, ask about NHS Continuing Healthcare: NHS Bristol, North Somerset and South Gloucestershire ICB is on 0117 900 2626 or bnssg.chcteam@nhs.net.

YOUR QUESTIONS

Questions about live-in care in Clevedon

Who do I call in Clevedon to ask for a care assessment?

Call North Somerset Council's Care Connect on 01275 888 801 (Monday to Friday, 8am to 6pm), email careconnect@n-somerset.gov.uk or use the online self-referral form. Clevedon is not in the Somerset Council area. Outside Care Connect's hours, the Emergency Duty Team is on 01454 615165. A family carer can ask for a carer's assessment through Care Connect too.

Where do we go for a minor injury in Clevedon?

The walk-in Minor Injury Unit at North Somerset Community Hospital on Old Street is open 8am to 8pm, with X-ray every day for part of the day; no appointment is needed. It is not an A&E. For emergencies at night, the nearest 24-hour A&Es are the Bristol Royal Infirmary (adults) and Southmead Hospital, as Weston General's emergency department is not open overnight. If unsure, call NHS 111.

How much does live-in care cost in Clevedon?

Live-in care with Day and Nightcare costs from £1,550 a week in Clevedon, the same as everywhere in England, for one person with a carer who rests at night. That includes our care team's management (the assessment, care plan, reviews, supervision and the on-call manager) and the carer's food; break cover and the carer's travel are extra. For a couple it is from £1,800 a week, where one carer can safely meet both partners' needs. You receive a written quote after a free assessment.

Can the council help pay for live-in care in Clevedon?

Yes, if the person's care needs meet the national eligibility criteria and their savings are below £23,250 (2026/27). Adult social care in Clevedon is arranged by North Somerset Council. Ask for a care needs assessment; if you are eligible, council funding can usually be taken as a direct payment and used for live-in care from us.

Can live-in care start when someone leaves Weston General Hospital?

It can. Tell us the expected discharge date as early as you can, and we will work with you and the ward's discharge team on when live-in care can start. We can often start within 24 to 48 hours of the assessment, depending on carer availability, and we confirm the start date once a carer is arranged. We have provided Discharge to Assess (D2A) care since 2014.
