OUR CARE, WHERE YOU LIVE

Our live-in care in Cranleigh

Live-in care means one-to-one support in your own home: personal care, medication support, meals, help around the house, getting out and about, and someone close by at night. Whether it suits the person, and whether one carer can support a couple, is worked out at the free assessment. Read more in live-in care explained and how it works day to day.

How we arrange live-in care in Cranleigh

Day and Nightcare provides fully managed live-in care in Cranleigh and the villages around it, from £1,550 a week. One main carer lives in the home; a relief carer covers their holidays and time off, and a manager is on call. Care starts with a free assessment, a written quote and a written care plan.

Care can be paid for privately, by Surrey County Council (including direct payments) or by NHS Continuing Healthcare. We have provided Discharge to Assess (D2A) care since 2014. If someone is in hospital, tell us the expected discharge date (see care after hospital). Our care team is on 01865 715780.

Arranging care and funding in Cranleigh

Surrey County Council arranges adult social care. To ask for a needs assessment, call **0300 200 1005** (9am to 5pm, Monday to Friday), email asc.infoandadvice@surreycc.gov.uk, or start the online self-assessment with an email address, a phone number and the GP's details to hand. Out of hours, call 01483 517 898.

The assessment is free, and so are reablement for up to six weeks and daily living equipment under £1,000. With more than £23,250 in capital (not counting the home) your relative pays the full cost, and if the council arranges care at home it charges £385 plus £16.50 a week. You can also arrange live-in care directly with a provider; see the cost of live-in care.

A family carer can ask for a free carer's assessment online or through Action for Carers Surrey (0303 040 1234; Monday to Thursday 9am to 7.30pm, Friday 9am to 5pm, Saturday 9am to 12.30pm).

Waverley Borough Council collects council tax:

- **Severe mental impairment:** with a doctor's certificate and a qualifying benefit such as Attendance Allowance, the person may not be counted. Living alone, the home may be fully exempt; with one other adult, the bill may fall by 25%. Reductions are not normally backdated automatically.

- **Carers:** someone caring at least 35 hours a week for a person they live with who gets a qualifying disability benefit, or a live-in care worker working for a care provider, may not be counted.
- **Adapted homes:** usually charged one band lower.

Before leaving, make sure you know which community nurses, therapists or care agencies have been asked to visit, and when; district nurses and the Intermediate Care Team are free. Action for Carers' Hospital Carer Advisor is there on weekdays (through the helpline).

If a community bed is needed first, the trust may offer one such as **Milford Hospital** near Godalming, a 30-bed community frailty unit for older patients. Under Discharge to Assess, the county council assesses long-term needs after discharge, for most people at home.

Questions about live-in care in Cranleigh

Who do I call in Cranleigh to ask for a care assessment?

Call its information and advice line on 0300 200 1005 (9am to 5pm, Monday to Friday), email asc.infoandadvice@surreycc.gov.uk, or start the online self-assessment with an email address, a phone number and the GP's details to hand. Does Cranleigh Village Hospital have a minor injuries unit?

It is not on the NHS list of Surrey urgent treatment centres and minor injury units. Cranleigh Village Hospital, at 6 High Street, provides outpatient clinics, radiology, podiatry and physiotherapy for Royal Surrey NHS Foundation Trust (01483 956 600). The closest on the ICB's Surrey list are Haslemere Hospital (8am to 5pm) and Woking Community Hospital (8am to 8pm). The A&E is at the Royal Surrey County Hospital in Guildford, open 24 hours. In an emergency, call 999.

How do I get from Cranleigh to the Royal Surrey for an appointment?

Waverley Hoppa's Hospital hoppa for Cranleigh takes people to appointments at the Royal Surrey, Milford Hospital, Cranleigh Village Hospital and other health services between Cranleigh and Guildford; the driver meets you at your front door. It costs £7.50 each way, plus £2.50 for a carer or companion. Register first (registration is free), then book on 01428 681701, Monday to Friday 8.30am to 12.30pm and 1.30pm to 4pm, and give 24 hours' notice of any change.

Where can an older person in Cranleigh go for company and a meal?

Rowleys Centre for the Community on Victoria Road is open 9.30am to 3pm, Monday to Friday. It offers daytime activities, hairdressing, chiropody, and fresh meals and snacks in its café. Members get discounts on meals and activities, and it has wheelchairs and walkers to buy or rent. Call 01483 277 155.

How much does live-in care cost in Cranleigh?

Live-in care with Day and Nightcare costs from £1,550 a week in Cranleigh, the same as everywhere in England, for one person with a carer who rests at night. That includes our care team's management (the assessment, care plan, reviews, supervision and the on-call manager) and the carer's food; break cover and the carer's travel are extra. For a couple it is from £1,800 a week, where one carer can safely meet both partners' needs. You receive a written quote after a free assessment.

Can the council help pay for live-in care in Cranleigh?

Yes, if the person's care needs meet the national eligibility criteria and their savings are below £23,250 (2026/27). Adult social care in Cranleigh is arranged by Surrey County Council. Ask for a care needs assessment; if you are eligible, council funding can usually be taken as a direct payment and used for live-in care from us.

Can live-in care start when someone leaves Royal Surrey County Hospital?

It can. Tell us the expected discharge date as early as you can, and we will work with you and the ward's discharge team on when live-in care can start. We can often start within 24 to 48 hours of the assessment, depending on carer availability, and we confirm the start date once a carer is arranged. We have provided Discharge to Assess (D2A) care since 2014.
