OUR CARE, WHERE YOU LIVE

## Our live-in care in Warwick

Live-in care means one-to-one support in your own home: personal care, medication support, meals, help around the house, getting out and about, and someone close by at night. Whether it suits the person, and whether one carer can support a couple, is worked out at the free assessment. Read more in live-in care explained and how it works day to day.

## How we arrange live-in care in Warwick

Day and Nightcare provides fully managed live-in care in Warwick and the villages around it, from £1,550 a week. One main carer lives in the home; a relief carer covers their holidays and time off, and a manager is on call. Care starts with a free assessment, a written quote and a written care plan.

Care can be paid for privately, by Warwickshire County Council (including direct payments) or by NHS Continuing Healthcare. We have provided Discharge to Assess (D2A) care since 2014. If someone is in hospital, tell us the expected discharge date (see care after hospital). Our care team is on 01865 715780.

## Arranging care and funding in Warwick

**Warwickshire County Council** arranges adult social care. Call **01926 359190** (Monday to Thursday 9am to 5pm, Friday 9am to 4.30pm), or use the council's online form (linked from its assessment page under Useful contacts below) if your relative has no support yet. The needs assessment is free, and anyone can ask for one. Out of hours, the emergency duty social worker is on 01926 886922.

A financial assessment decides what your relative pays. With savings over £23,250 they would usually pay the full cost, but the home is not counted for care at home. For home care the council arranges, the most it charges from April 2026 is £26.44 an hour; its Financial Assessments and Benefits Advice Team is on 01926 413985. Council funding can be taken as a direct payment.

Family carers can ask Caring Together Warwickshire for a free carer's assessment on 0800 197 5544. It also issues the Carers Emergency Card and helps plan breaks.

**Warwick District Council** collects council tax (01926 456760). Its disabled person reduction charges the home one band lower where an extra room or indoor wheelchair space is needed because of a disability. The severely mentally impaired exemption or discount needs a doctor's certificate and a claim for a qualifying benefit; the doctor cannot charge for completing it. See council tax discounts for care.

## Urgent care and leaving hospital in Warwick

- **A&E:** Warwick Hospital, Lakin Road, has South Warwickshire's full 24-hour Emergency Department.
- **Minor injuries:** the trust's Minor Injuries Unit is at Stratford Hospital, open only on Tuesdays, Wednesdays and Thursdays, 9am to 4pm. It is not an A&E.

Warwick Hospital's Frailty Assessment Area gives frail older people a rapid, full assessment to avoid unnecessary admission. Ambulance crews can phone a frailty consultant first so that, where hospital is not needed, the Urgent Community Response team visits at home instead. The trust's virtual ward can also give hospital-level monitoring at home, usually for less than a week.

Each ward has a nominated discharge co-ordinator, and the trust supports John's Campaign, so a family carer of someone with dementia can ask the ward team about staying with them. Rehabilitation may continue at Leamington Spa Hospital, Heathcote Lane, with Campion Ward and the Feldon stroke rehabilitation ward.

For Warwickshire residents with new or increased needs, NHS-funded Discharge to Assess usually means the Community Recovery Service: free home care for up to six weeks, up to four visits a day. Warwickshire Fire and Rescue's Hospital to Home Service can take frail patients home and check they are safe. If someone at home deteriorates suddenly, families can refer to Urgent Community Response on 01926 600818 (8am to 6pm, seven days a week).

NHS Continuing Healthcare is arranged by NHS Coventry and Warwickshire Integrated Care Board; for a South Warwickshire GP, email cwicb.swchcgeneral@nhs.net.

## What may change soon

On 29 October 2026 the Government said it is minded to create two unitary councils for Warwickshire, with Warwick in the southern one. This is proposed, not confirmed; the councils say new councils would start in April 2029. Until then, the county council arranges adult social care and Warwick District Council collects council tax.

YOUR QUESTIONS

## Questions about live-in care in Warwick

### Who do I call in Warwick to ask for a care assessment?

Call Warwickshire County Council's adult social care team on 01926 359190 (Monday to Thursday 9am to 5pm, Friday 9am to 4.30pm), or use the council's online form (linked from its assessment page under Useful contacts on this page) if the person has no support from adult social care yet. The county council arranges adult social care; Warwick District Council deals with council tax. Out of hours, call the emergency duty social worker on 01926 886922. A family carer can ask for their own assessment through Caring Together Warwickshire on 0800 197 5544.

### What happens when someone is discharged from Warwick Hospital?

Planning starts early on the ward: each ward at Warwick Hospital has a nominated discharge co-ordinator, so ask who it is and share what home is like. Adults living in Warwickshire with new or increased needs may be offered NHS-funded Discharge to Assess, usually free care at home from the Community Recovery Service for up to six weeks, with a Care Act assessment about four weeks after discharge. The trust's going-home checklist covers transport, medicines and equipment, and asks whether the heating is on and there is food in the fridge.

### Is there a hospice in Warwick?

Yes. Warwick Myton Hospice on Myton Lane cares for adults with life-limiting conditions. It has an inpatient unit for specialist palliative care, a hospice at home service for end-of-life care, and a wellbeing service with counselling, peer support and small groups such as art and gardening. The Care Quality Commission rated it Good in a report published in May 2025. Call 01926 492518. A live-in carer can work alongside the hospice team at home.

### Are there dementia cafés in Warwick?

Yes. The Memory Café Plus meets at All Saints Church, Emscote, on the first and third Monday of the month, 2pm to 4pm. Forget-Me-Not, a free drop-in with afternoon tea, meets at Chase Meadow Community Centre on the first and third Tuesday, 1.15pm to 3.15pm. Warwick Memory Singers meets on Wednesdays, 1pm to 2.30pm, at All Saints Church; it costs £5 a week, carers go free, and each singer comes with a carer. Contact details are in the county council's Living Well with Dementia directory.

### How much does live-in care cost in Warwick?

Live-in care with Day and Nightcare costs from £1,550 a week in Warwick, the same as everywhere in England, for one person with a carer who rests at night. That includes our care team's management (the assessment, care plan, reviews, supervision and the on-call manager) and the carer's food; break cover and the carer's travel are extra. For a couple it is from £1,800 a week, where one carer can safely meet both partners' needs. You receive a written quote after a free assessment.

### Can the council help pay for live-in care in Warwick?

Yes, if the person's care needs meet the national eligibility criteria and their savings are below £23,250 (2026/27). Adult social care in Warwick is arranged by Warwickshire County Council. Ask for a care needs assessment; if you are eligible, council funding can usually be taken as a direct payment and used for live-in care from us.

### Can live-in care start when someone leaves Warwick Hospital?

It can. Tell us the expected discharge date as early as you can, and we will work with you and the ward's discharge team on when live-in care can start. We can often start within 24 to 48 hours of the assessment, depending on carer availability, and we confirm the start date once a carer is arranged. We have provided Discharge to Assess (D2A) care since 2014.
