OUR CARE, WHERE YOU LIVE

Our live-in care in Warwickshire

Live-in care means one-to-one support in your own home: personal care, medication support, meals, help around the house, getting out and about, and someone close by at night. Whether it suits the person, and whether one carer can support a couple, is worked out at the free assessment. Read more in live-in care explained and how it works day to day.

How we arrange live-in care in Warwickshire

Day and Nightcare provides fully managed live-in care across Warwickshire, from £1,550 a week. One main carer lives in the home; a relief carer covers their holidays and time off, and a manager is on call. Care starts with a free assessment, a written quote and a written care plan.

Care can be paid for privately, by Warwickshire County Council (including direct payments) or by NHS Continuing Healthcare. We have provided Discharge to Assess (D2A) care since 2014. If someone is in hospital, tell us the expected discharge date (see live-in care after hospital). Our care team is on 01865 715780.

Arranging care and funding in Warwickshire

Warwickshire County Council arranges adult social care (Coventry is a separate city council). The five district and borough councils (North Warwickshire, Nuneaton and Bedworth, Rugby, Stratford-on-Avon and Warwick) collect council tax.

1. **Call adult social care** on **01926 359190** (Monday to Thursday 9am to 5pm, Friday 9am to 4.30pm), or, if your relative has no support from adult social care yet, use the council's online form (linked from its assessment page under Useful contacts below). The needs assessment is free, and anyone can ask for one. Out of hours, the emergency duty social worker is on 01926 886922.
2. **Talk it through.** The council starts with a conversation, by phone or in person, about routines, what is working and who already helps. People important to your relative can take part.
3. **Paying.** A financial assessment decides whether your relative contributes. In 2026/27, savings over £23,250 usually mean paying the full cost, but the home is not counted for care at home. From April 2026 the most the council charges for home care it arranges is £26.44 an hour (Financial Assessments and Benefits Advice Team: 01926 413985). Funding can be taken as a direct payment.
4. **Reablement**, help to regain skills at home, is free for up to six weeks for adults living in Warwickshire.

Carers' assessments are carried out through Caring Together Warwickshire, provided by Carers Trust Heart of England: freephone 0800 197 5544 (Monday, Wednesday and Friday 9am to 5pm; Tuesday and Thursday 9am to 8pm; Saturday 9am to 2pm). Caring Together also issues the Carers Emergency Card and helps carers plan breaks. See carers' assessments.

Urgent care and leaving hospital in Warwickshire

- **A&E, 24 hours:** Warwick Hospital, Lakin Road, for the south of the county; George Eliot Hospital in Nuneaton (Heath End Road entrance) for the north; and University Hospital, Clifford Bridge Road, Coventry, a major trauma and cancer centre.
- **Urgent treatment centres:** Rugby's, at the Hospital of St Cross, is open 24 hours for minor injuries and illnesses in people over five, with X-ray (01788 663432). George Eliot's GP-led centre, in its Emergency Department, is open 8am to 8pm daily, including bank holidays. Neither is an A&E.
- **Minor injuries:** the unit at Stratford Hospital, Arden Street, opens only on Tuesdays, Wednesdays and Thursdays, 9am to 4pm. It is not an A&E. Ellen Badger Hospital, Shipston-on-Stour, lists neither a minor injuries unit nor beds.

Leaving hospital. For adults living in Warwickshire with new or increased needs, the NHS-funded Discharge to Assess scheme usually means the Community Recovery Service: free home care for up to six weeks, with up to four visits a day (or a free care home stay of up to four weeks). A Care Act assessment follows about four weeks after discharge home. Care from a provider your relative already had is not part of the free scheme. See Discharge to Assess explained.

At South Warwickshire's hospitals, each ward has a nominated discharge co-ordinator. If an adult at home has a sudden crisis and could otherwise be admitted, Urgent Community Response can send a clinician within two hours; families can refer on 01926 600818 (8am to 6pm, seven days a week).

NHS Continuing Healthcare is arranged by NHS Coventry and Warwickshire Integrated Care Board. Enquiries go by email: cwicb.swchcgeneral@nhs.net for patients with GPs in South Warwickshire, Rugby and Warwickshire North, and cwicb.referrals@nhs.net for Coventry GPs.

Local help in Warwickshire

- **Memory worries.** The GP refers to the NHS Dementia Service (Coventry and Warwickshire Partnership NHS Trust), which has teams in Leamington Spa, Stratford-upon-Avon, Nuneaton, Rugby and Coventry and can assess at home if a clinic is hard to reach. Dementia Connect is on 0333 150 3456, and the council's Living Well with Dementia website lists cafés and groups by area.
- **Equipment.** The Community Equipment Loan Service, run by the county council with NHS Coventry and Warwickshire, lends equipment free to people assessed and eligible for social care support (not wheelchairs, sensory or communication equipment). Medequip handles deliveries, repairs and returns (024 7685 8453).

Mary Ann Evans Hospice, Nuneaton: Hospice at Home and 24-hour Rapid Response for people with a GP in Nuneaton, Bedworth or North Warwickshire (024 7686 5440). The Myton Hospices also run Coventry Myton Hospice (024 7684 1900) and the Rugby Myton Support Hub (01788 550085).
- **Advice and company.** Age UK Coventry and Warwickshire (02476 231999) gives free information and advice to over-50s and their families, and free befriending for over-50s.

What may change soon

- **Council reorganisation (proposed).** On 29 October 2026 the Government said it is minded to create two unitary councils: one for North Warwickshire, Nuneaton and Bedworth, and Rugby, and one for Stratford-on-Avon and Warwick. Representations are open for at least three weeks before a final decision; the councils say new councils would start in April 2029. Until then, the county council arranges adult social care and the district and borough councils collect council tax.
- **NHS board (planned merger).** NHS Coventry and Warwickshire is clustered with NHS Herefordshire and Worcestershire, and the cluster's preferred approach is to merge from April 2027. Until any merger, the two boards remain separate legal bodies.

YOUR QUESTIONS

Questions about live-in care in Warwickshire

Who do I call in Warwickshire to ask for a care assessment?

Call Warwickshire County Council's adult social care team on 01926 359190 (Monday to Thursday, 9am to 5pm; Friday, 9am to 4.30pm), or use the council's online form (linked from its assessment page under Useful contacts on this page) if the person does not already have support from adult social care. Outside those hours, at weekends and on bank holidays, the emergency duty social worker is on 01926 886922. Coventry is a separate city council, so for an address in Coventry, contact Coventry City Council instead.

What free help is there after leaving hospital in Warwickshire?

Adults living in Warwickshire who leave hospital with new or increased needs may be offered the NHS-funded Discharge to Assess scheme. At home this is the Community Recovery Service: free home care for up to six weeks, with carers visiting up to four times a day. If someone cannot go straight home, a free stay of up to four weeks in one of the care homes the council uses can be arranged. A Care Act assessment follows, and charges for any longer-term care depend on a financial assessment.

Is Warwickshire County Council being replaced?

Not yet. On 29 October 2026 the Government said it is minded to replace the county council and the five district and borough councils with two unitary councils, one for the north of the county and one for the south. There will be at least three weeks for further representations before a final decision. The councils say the new councils would be in place from April 2029. Until then, Warwickshire County Council arranges adult social care and the district and borough councils collect council tax.

Where can families get dementia support in Warwickshire?

Dementia Connect, run by Alzheimer's Society and commissioned by Warwickshire County Council, supports anyone living with dementia and the people caring for them. Call 0333 150 3456 (Monday to Wednesday, 9am to 8pm; Thursday and Friday, 9am to 5pm; weekends, 10am to 4pm). For a diagnosis, start with the GP, who can refer to the Dementia Service run by Coventry and Warwickshire Partnership NHS Trust.

Who arranges NHS Continuing Healthcare in Warwickshire?

NHS Coventry and Warwickshire Integrated Care Board. Enquiries go by email: cwicb.swchcgeneral@nhs.net for patients with GPs in South Warwickshire, Rugby and Warwickshire North, and cwicb.referrals@nhs.net for Coventry GPs. For most people an initial checklist comes first; a nurse, doctor, other healthcare professional or social worker can complete it, and it decides whether a full assessment follows. If care is needed urgently, for example because someone is terminally ill, the assessment may be fast-tracked.

How much does live-in care cost in Warwickshire?

Live-in care with Day and Nightcare costs from £1,550 a week anywhere in Warwickshire, the same as everywhere in England, for one person with a carer who rests at night. That includes our care team's management (the assessment, care plan, reviews, supervision and the on-call manager) and the carer's food; break cover and the carer's travel are extra. For a couple it is from £1,800 a week, where one carer can safely meet both partners' needs. You receive a written quote after a free assessment.

Can the council help pay for live-in care in Warwickshire?

Yes, if the person's care needs meet the national eligibility criteria and their savings are below £23,250 (2026/27). Adult social care in Warwickshire is arranged by Warwickshire County Council. Ask for a care needs assessment; if you are eligible, council funding can usually be taken as a direct payment and used for live-in care from us.

Can live-in care start when someone leaves Warwick Hospital?

It can. Tell us the expected discharge date as early as you can, and we will work with you and the ward's discharge team on when live-in care can start. We can often start within 24 to 48 hours of the assessment, depending on carer availability, and we confirm the start date once a carer is arranged. We have provided Discharge to Assess (D2A) care since 2014.

How would live-in care be supported in Warwickshire?

Our care team supports every live-in placement, wherever it is in England: a free assessment, a written care plan, regular contact and reviews, one main live-in carer, with a relief carer covering holidays and time off, and a manager on call outside office hours. Your carer works alongside the person's own GP, community nurses and any hospice team already involved in their care.
